

Thank you for choosing the Centre for Musical Minds!

Here are 4 things you need to know:

- Invoicing is based on a 12-month calendar year from May through April. Your invoice reflects all lesson weeks on our calendar, and you are not charged for any of the breaks reflected.
- All families are required to enroll in our monthly auto-pay with credit card or pay for the year in full with a check.
- If you join mid-semester, your lessons will be pro-rated to reflect the number of lessons on the calendar.
- Not feeling lessons? All we need is a 30-day notice of withdrawal via email.
